TWEEDDALE MEDICAL PRACTICE

PRACTICE NURSE PART-TIME, PERMANENT POST

Hours ideally around 30 hours per week but can be negotiable.

Salary equivalent to Band 5/6, depending upon experience.

Would you like to work as part of a multi-disciplinary primary care team? Our practice team comprises Health Care Assistants, Practice Nurses, Advanced Nurse Practitioners, General Practitioners and administrative staff. We are an RCGP-Accredited Quality Practice and NES-Approved Training Practice.

The successful applicant will join an ambitious, education-orientated team who work in a state of the art primary care health centre.

The Practice Nurse role is an integral part of developing the practice for the challenges of delivering high quality primary care services in a community setting.

Core tasks will include wound care, childhood & adult immunisations, chronic disease management and cervical screening although the role will evolve in line with the Scottish Government's vision for the 2018 GMS Contract.

Qualifications in prescribing and chronic disease management would be beneficial.

Full training on all aspects will be provided.

***Application forms can be obtained
